Residents can still have their say on how council services are delivered

HONITON residents are being reminded that they can still have their say on how and where East Devon District Council services will be delivered.

The reminder comes after 3,000 East Devon homes were randomly chosen by the district council to take part in a consultation process to help inform the council on how to make the move from Sidmouth to Honiton and Exmouth as successful as possible.

The 'Moving and Improving' consultation, however, is open to all other East Devon residents, who can have their say by going online and completing the questionnaire. Those choosing to participate in the consultation can enter a prize draw for vouchers worth £100 and can also sign up to receive the results.

EDDC leader and Honiton St Paul's councillor, Paul Diviani said it was their duty to make sure that everyone can access the services they need and that EDDC's services represented great value.

"The council offices [at The Knowle] are old, expensive to run and need ongoing repairs. The public spaces are not very welcoming and the offices are not fit for purpose for a modern 21st century organisation such as ours. Quite simply, moving is a cheaper option for East Devon than staying put," Cllr Diviani said.

He stated that EDDC's vision for service delivery was one that was able to do business with the council, when, where and how the people of East Devon want to.

Cllr Diviani concluded: "This means that not only will we operate from offices in Honiton and Exmouth, but we will continue to have a presence in the main towns, through surgeries and we will continue to develop better online self service options for you. It's

by Peter Hodges
peter@pemedial.co.uk

really important that you have your say about how and where you want our services to be delivered in the future, as this will help us decide how to provide our services when we move."

The closing date for the 'Moving and Improving'

consultation is Thursday, November 12th 2015. The online questionnaire can be found at <http://www.east-devon.gov.uk/consultation-and-surveys/moving-and-improving>

A separate consultation questionnaire is also being sent to town and parish councillors, representatives of voluntary and community groups as well as representatives of local businesses, as EDDC says it values these groups' opinions along with the general public's when it comes to delivering council services.

The district council chose to move their base from Sidmouth to Honiton and Exmouth due to circumstances they think will benefit the council. Honiton was chosen due to its location, being in the middle of the district and with good transport links made it ideal for the council's base of operations. Exmouth has the largest population in East Devon and the two sites combined will allow easy access for most people that want to visit the offices.

Services likely to be located in Honiton at the moment include collection of council tax, searches on land and property and corporate functions such as human resources, legal, finance, communications and democratic services. Divisions such as planning, off street car park services and environmental health will be available in both Honiton and Exmouth.

Many of the existing services are and will increasingly be provided without the need to visit the main council offices.

Cllr Diviani said last month that it was important that they get the best possible bang for their buck for the sake of EDDC's customers – the council tax payers of East Devon – and for the benefit of the local businesses, the staff and elected members.

New CCTV system to help combat crime

■ HONITON town clerk Chetna Jones and PCSO Darren England have unveiled the town's brand new CCTV system. The system will enable the town council and police to keep Honiton safe by detecting and preventing crime and, in some cases, producing images to help with convictions. The cost of the HD system was covered with the help of a large donation from Honiton Local Action Group, which is funded by East Devon District Council. Also pictured is Paul Slocombe from Metcalfe Allen – a specialist in CCTV Security Systems.

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

SOUTH SOMERSET Police chief Gargan resigns with pay after misconduct charges

NICK Gargan has resigned as Chief Constable of Avon and Somerset Police with immediate effect, following a "protracted and lengthy" process. Somerset's Police and Crime Commissioner (PCC) Sue Mountstevens initiated the process requiring Mr Gargan to step down on August 19th. The call for his resignation stemmed from concerns from within the constabulary, residents and three former Chief Constables that Mr Gargan had lost the confidence of the organisation and those he was there to serve after being found guilty of eight counts of misconduct in July.

Mr Gargan was suspended from his £175,000 a year post for 17 months amid allegations of gross misconduct involving inappropriate advances towards women, of which he was cleared in July. However, an inquiry panel did find him guilty of eight counts of misconduct, including sending, receiving and storing intimate images of a sexual nature on his police phone.

Mr Gargan intended to return to work following the inquiry and 15 months of suspension, but public outcry led Ms Mountstevens to call for his resignation.

On September 25th, the PCC received a report from Her Majesty's Chief Inspector of Constabulary, Sir Thomas Winsor, supporting her decision to initiate the process requiring the Chief Constable to stand down.

In his view, a Chief Constable without the confidence of his officers and staff risked the efficiency and effective running of the Constabulary.

Mr Gargan will leave his position as the Chief Constable of Avon and Somerset with three-months' salary in lieu of notice as the terms of his contract state, totalling just under £45,000. Ms Mountstevens said: "I have accepted Mr Gargan's resignation with immediate effect."

From the editor's chair Yet another blow to Seaton

NO one in Seaton will be too surprised that the town's police station is to be closed down for good.

When the front office was shut to the public in recent times, the writing was on the wall and it was expected that the station would disappear completely when the next round of cuts arrived. That day is here with the Devon and Cornwall Constabulary facing £54 million of savings.

The Mayor of Seaton, Councillor Tony Woodman, took the news very philosophically, saying: "The station is just a building and the important matter is if, and how, this will affect the actual policing of our town."

Councillor Woodman went on to point out that Seaton has a low crime rate and praised "the wonderful work" of the local police officers. And many will share his view that by

having three police officers stationed in the town was reassuring for all.

The Mayor, quite rightly, also sounded a warning and urged the public to "stand up and fight" to save vital services, promising to make sure the matter is on the agenda for the next council meeting so the public can have their say.

♦ **THE** sudden death of the Rector of Axminster, the Reverend John Streeting, 62, came as a big shock to his congregation and the wider community when announced by the Archdeacon at the Sunday morning service.

I always found the Reverend Streeting very approachable. He had a easy going aura. He was committed to his calling and the people of Axminster. Our condolences go to his wife Liz and his children.

AXMINSTER Town in mourning after sudden death of Rector

AXMINSTER is in mourning after the sudden death of the town's popular Rector, the Reverend John Streeting.

News of the Reverend Streeting's passing was first heard later that day, and a formal announcement was made during Sunday services in all Axe Valley Community Mission churches.

The Archdeacon of Exeter, the Venerable Christopher Fletcher, took services in The Minster, Axminster, and told the congregation: "I am very sorry to have to tell you all that your Rector, Father John, has died suddenly after a short illness."

"He was admitted to hospital last week and died in the early hours of Thursday morning from pneumonia."

"I know this will come as a great shock to you all. John's funeral has not yet been confirmed but that news will be shared as soon as it is available."

"I know you will all hold John, Liz and their children in your prayers."

SIDMOUTH Praise for 'Working Together' event

AN East Devon District Council event has been praised by local MPs for highlighting the 'fantastic and invaluable' voluntary and community organisations in East Devon.

East Devon MP Hugo Swire along with Honiton and Tiverton MP Neil Parish attended the district council's annual 'Working Together for the Future of East Devon' event, held at The Knowle in Sidmouth.

Over 100 representatives of voluntary organisations and community groups were in attendance.

The day aimed to bring local agencies together to improve communications between the voluntary and statutory sectors.

Mr Swire said: "I was especially pleased that mental health and dementia formed the theme of this year's event. These issues pose great challenges, but in East Devon we are fortunate enough to have a number of individuals and organisations committed to working alongside the Government to improve the lives of vulnerable people."

EAST DEVON Residents can still have say on how council services are delivered

EAST Devon District Council is reminding residents that they can still have their say on how to help make the council's relocation from Sidmouth as successful as possible.

The reminder comes after 3,000 East Devon homes were randomly chosen by the district council to take part in a consultation process to help inform the council on how to make the move from Sidmouth to Honiton and Exmouth as successful as possible.

The consultation, however, is open to all other East Devon residents, who can have their say by going online and completing the questionnaire. Those choosing to participate in the consultation can enter a prize draw for vouchers worth £100 and can also sign up to receive the results.

EDDC leader and Honiton St Paul's councillor, Paul Diviani said it was their duty to make sure that everyone can access the services they need and that EDDC's services represented great value.

The closing date for the 'Moving and Improving' consultation is Thursday, November 12th 2015. The online questionnaire can be found at <http://www.eastdevon.gov.uk/consultation-and-surveys/moving-and-improving>

SEATON Police station set to close down for good

SEATON Mayor Tony Woodman says residents must "stand up and fight" to save vital services after a complete closure of the police station was announced.

"We must be prepared to stand up and fight for our town and its services," he said, fearing the town may lose its "already limited police presence".

Seaton Police Station has been earmarked for complete closure at some point during next financial year.

Although the public enquiry office closed some time, the station has continued to be a base for officers.

But that is about to come to an end as part of a £54million cost cutting measure.

It is not known how policing in Seaton will work after the closure, but there are two options1): no base for police officers 2): a community base.

In short, a community base is a small office which may be shared with "other public sector partners".

Andrew White, chief executive for the office of Police and Crime Commissioner Tony Hogg, said: "Both the commissioner and chief constable are clear - given the choice they always prefer to spend money on police officers rather than bricks and mortar."

Zara wins singing Rotary accolade

MUSIC students from Honiton Community College once again took part in the annual Rotary music competition.

All four students performed well, with Lois Roulson playing 'Over The Rainbow' on her flute and her older sister Amy singing 'I Dreamed A Dream' from Les Misérables, as well as playing an exciting modern piece for cello entitled 'Gathering The Tribes'.

Joe Binmore, who has won the vocal award on two occasions in the past, this year came second with 'Hold Me In Your Heart' from the musical Kinky Boots, whilst last year's runner-up, Zara Sillitoe (pictured) was given first prize for singing 'Out in the Light' from the musical Am Dram.

This is the fifth consecutive year HCC has beaten off all competition from local schools.

New books for Honiton Primary schoolchildren

THE PTFA of Honiton Primary School has kindly donated £2,300 for new reading books.

There is £600 available for Key Stage One, £500 for reception and £1,500 for the library, which is mainly used by Key Stage Two students.

The money was raised at a PTFA hosted event in June called Bounce for Books, where the children collected sponsorship from family and friends and had to bounce for one minute.

Pictured above are some of the children with their new reading materials.

Drama students work with Honiton youngsters

DRAMA students from Exeter University will be sharing their skills with Honiton Youth Drama (HYD) on October 22nd.

The students will be coming to the Beehive in Honiton to showcase their new adaptation of *Impisi*, a play about disability and issues of difference originally written by Ottery St Mary-based writer Clive Essame.

Mr Essame said: "Impisi means hyena in Zulu and this animal is one of the main characters in the tale.

"After the performance the students will spend time with members of HYD, working with them on some of the techniques and skills that they have developed in the production in which

by Anders Larsson
anders@tindlenews.co.uk

all the characters are African wild animals.

"This exciting opportunity for young people in Honiton is part of HYD's new programme of workshops which are aimed at giving young people an experience of drama in a supportive environment."

HYD meets every Thursday in term time at 4pm at The Beehive, Dowell Street, and is free for 11-18 year olds, thanks to Lottery funding. For more information, contact 07519 732800 or e-mail martin@danublu.uk or just turn up.

Commissioner sets out plans to deal with further police budget cuts

POLICE and Crime Commissioner Tony Hogg has set out his plans for managing the likely £54m budget reduction faced by Devon and Cornwall Police.

"With such an extreme budget reduction we will have to completely rethink the delivery of policing services in Devon and Cornwall," said Mr Hogg.

"At this time, there is much that we do not know, but it is right that we start to plan so that important actions can be taken at the appropriate times."

The Office of the Police and Crime Commissioner's (OPCC) budget prediction is based on two key factors. Firstly, that the police service budget is reduced by 25 per cent nationally, an assumption made following signals given by the Chancellor in July ahead of his autumn statement.

In addition, the OPCC is assuming that the revised Government funding formula will mean a further significant loss to Devon and Cornwall.

These two factors together mean that the PCC has now revised his savings target from £29m to £54m.

"Our budget assumptions are based on the best available information that we have at this time," said Mr Hogg.

"We expect to hear in the next few days whether the Government is intending to revise its original funding formula allocation proposals.

"I hope that our campaign with the fantastic support of the people of Devon and Cornwall will have persuaded ministers that change must happen but I am very nervous of this outcome.

"In addition, we have only assumed the bottom end of the Chancellor's stated budget reductions – we cannot rule out that he will seek even more than 25 per cent national reductions in policing."

Work has been undertaken across Devon and Cornwall Police and the OPCC to identify further savings.

£19.2m of savings have already been identified through reviews of departments, strategic alliance work with Dorset and a 25 per cent savings in the OPCC's own budget.

Over the past few months the Chief Constable has been working on models for local policing and associated areas.

The Commissioner decided that work should continue to develop a revised model of local policing that maintains a number of the key elements that are currently present including emphasis on local engagement and presence.

However, the Commissioner also decided that he would need to review this decision in the light of the budget settlement that will be known in December.

"It would be foolish to take decisions

at this time that cannot be reversed," said Mr Hogg.

"Planning for staffing reductions in local policing and all other areas now needs to commence.

"Plans can be finalised once the final budget position is known."

The PCC also indicated that he intends to seek the views of council tax payers on whether they would be willing to pay more for policing in Devon and Cornwall.

"Over the next couple of months I will, supported by the Chief Constable, set out what a £54m budget reduction would mean for policing in Devon and Cornwall," said Mr Hogg.

"I think that if these reductions come to pass that policing services will change in ways that the public will not want to accept.

"I will want to test whether they might be willing to increase the policing element of the council tax, which currently averages £165 per year, to a higher level to retain some important services."

The consultation is expected to start at the beginning of November and run for up to eight weeks.

At this time, decisions are still to be made regarding the detail of the consultation, including proposed tax increase levels.

Correction: Prima Moda Brides

IN last week's edition on the Pulman's View it was incorrectly reported in the article titled 'Seaton man's wedding to air on BBC Three show tomorrow night' on page 14 that the bride visited a bridal shop in Ilminster called 'Prima Dona Brides' when it was in fact Prima Moda Brides. We apologise for any confusion caused.

CHALLENGE ROB

A weekly column throughout October

Trying out everything

B! HEALTH & FITNESS has to offer!

MY third week at B! Health & Fitness was personal training week. After a heavy weekend away on a stag do in Barcelona I was pretty tired on Monday and a little apprehensive about how my first personal training session would go, but after the past couple of weeks I knew I would feel great afterwards so I was still motivated.

My first session was with Craig, all focused on working my chest and triceps. After a warm up we started on the bench press, which I was a little wobbly on, but Craig constantly encouraged me, whilst making sure my technique was correct. I instantly noticed the difference a personal trainer makes; Craig got me through the last few reps on every exercise which I would have given up on if he wasn't there.

I had some serious DOMS (delayed onset of muscle soreness) over the next 48 hours but, in a strange way, it felt good to know that my muscle fibers were repairing themselves and growing and encouraged me to eat healthily.

With my chest and triceps still aching from Monday, Wednesday was leg day with Duncan. He worked every muscle hard and I had a bit of a funny walk after some of the exercises! Duncan also helped get the last few reps out of me and guided me through everything, giving me alternate exercises when he noticed I was struggling.

Everything was going great until Friday. I was experiencing some severe DOMS in my legs and had trouble walking a lot that day! The session itself was really good, working on back and biceps, but I was getting frustrated as it was obvious my left side wasn't as strong as my right, which Duncan helped me through. If Duncan hadn't been there in a personal training capacity I would not have achieved half of what I did. He really gave me the determination to keep going and not to give up.

I then had another session on Saturday with Craig to work on my shoulders but my motivation had hit the lowest point as I was lacking a serious amount of energy. Craig straight away identified that this was partly due to what I'd been eating; I'd been trying to eat healthily but I hadn't been taking on enough carbohydrates. It's also worth pointing out they would never ordinarily put anyone through four intense personal training sessions in one week so early on into their workout regime! I'm a bit of an exception to the rule so I can write about the experience in this column.

Craig and Duncan will work closely with you to make sure you get the right nutrients to ensure you make the changes you want to as quick as possible. Their expertise pushes you to your max but not beyond it. A lot of people have a perception of personal trainers to be the stereotypical military type, but it really isn't like that. If anything it's quite good for your ego as they are constantly praising and encouraging you with each step!

They are totally focused on helping you achieve your personal fitness goals, making you get as much as you possibly can out of each session without feeling sick. They provide a service to help you, not debilitate you, and it is much more than just the 60-minute workout you pay for as they stay in touch outside of training time. They also help you with your diet, which is such a massive part of achieving success. I'm learning that successfully changing your body shape is about so much more than just training in the gym, and both Craig and Duncan can help you every step of the way with their personal training programme.

I'm now looking forward to my final week and trying out some of the fitness classes they have to offer followed by a full body personal training session at the end of the week.

Milly gets on her bike for the ELF

AN EIGHT-year old girl from Honiton has embarked on an marathon, coast-to-coast cycling journey.

Milly Morgan-Holloway will ride

from the north coast of Devon all the way to the south coast to raise money for Exeter Leukaemia Fund (ELF).

She is taking part in Ruby's Big

Bike Challenge, which encourages children across the country to get out on their bikes and raise money for a charity of their choice.

Starting in Barnstaple, Milly will be cycling about 80 miles along the Devon Coast to Coast route – all the way to Plymouth.

When asked why she had decided to take on such a difficult ride, Milly said: "Last year daddy's friend died from leukaemia.

"I'd known him since I was born and he was always very kind to me so I was very sad when he died.

"I wanted to do a challenge to re-

member him and to raise money to help other people with leukaemia.

"Daddy's friend loved cycling so I thought a bike challenge would be a good idea."

Milly will be accompanied on her mammoth ride by her dad Glenn. He said: "She's certainly going to find it tough but she is very determined."

Milly's ride began on Saturday October 17th. If you would like to follow her progress or support her fundraising effort, you can do so at <https://www.justgiving.com/Rubysbigbikechallenge-MillyMH>

Gearing up for panto season again

TICKETS are now on sale for the latest productions at The Beehive from Honiton's premier performing arts group.

Honiton's annual pantomime, will this year be the swashbuckling pirate adventure 'Peter Pan.' In addition to the pantomime, the group will be performing a variety show called 'Over the Sledge.'

Peter Pan is not to be missed featuring boo-worthy baddie Captain Hook, with a hapless right hand man, the dame 'Mrs Smee' and all the classic pantomime ingredients - plus a little sprinkle of fairy dust in the form of Tinkerbell.

Tickets are £8 for adults and

£6 for children as prices have been held from last year. The show is also offering 25 per cent off children's tickets purchased before January 1st 2016.

The show will be performed during the evenings of February half term, from 16th to 20th with a matinee on Saturday February 20th.

Last year's pantomime Sleeping Beauty received audience and critical acclaim.

Pantomime director Beth Hibbert commented: "We've already rehearsed the first scene of the panto along with several songs from our wonderful musical director Ian Crew. I can't wait for curtain-up where our cast will

remind Honiton just how much talent we have in our town!"

In addition to the pantomime, the 'Over the Sledge' Christmas Variety Show is a winter re-imagining of the group's popular summer 'End of the Pier' show.

There will be singing, dancing and a Christmas themed supper complete with mince pies and cream; the perfect night out for friends, workmates and families.

This production will be performed on tour around East Devon and at The Beehive on the December 4th and 5th in the evenings. Tickets will cost £14 including supper and pudding.

The Paper Shop picks up national award

HONITON'S much-loved newsagents The Paper Shop has scooped a major award, winning the National News Retailer of the Year.

The Paper Shop beat off competition from Ireland, Scotland, Wales and England to win the prestigious award, but the success didn't stop there. Danny Cramer, one of the delivery drivers, won the First Merit Delivery Award as well. The Paper Shop won the regional award in May and therefore was automatically put through to the finals.

Bridget McNulty and Duncan Finlayson have run The Paper Shop in New Street since 2002 and were given the award by the National Federation of Retail Newsagents. The duo were runners up in the event last year but said this award came as a complete shock.

The Paper Shop sells around 1,500 national and local newspapers every day, seven days a week, with an army of 43 paper boys and girls, four drivers de-

Calendar to raise money to care for cats

HONITON Cats Protection are producing a calendar for 2016 featuring cats that have been homed in the area, so you might recognise your cat amongst them!

One family who took on a mum and kitten sent in such lovely pictures that both have been featured. Kirsty Nash said that on adopting Lulu and Dennis (pictured) she was impressed with the work of all the volunteers at Honiton Cats Protection.

Kirsty said: "I love the cats, who are great fun, and cannot believe that anyone would leave Lulu under a hedge on her own with kittens. It was lucky that she was found and given all the care needed to raise her babies. I'm glad they have been featured in the calendar, as the money from sales will help more cats who need homes and it raises the profile of the work done in this area."

New Street Vets, have kindly sponsored the calendar, which retails for £4.95 and is available from the Cats Protection shop at 116 High Street, Honiton.

"Using Nutrition to Support those with Cancer"

a FREE talk for Wishing Well cancer support group given by Eizabeth Bray
Thursday 29th October 2.30pm

Following the success of her well attended talk in July, Elizabeth has kindly agreed to return to Wishing Well and give a follow up talk on nutrition and how it can support those experiencing cancer. The talk will cover some of the areas touched on in her previous talk such as healthy diet choices for disease prevention and maintaining optimum health, as well as some new information. She has put together a "goody bag" containing a wealth of useful information, as well as some free samples for all attendees. Elizabeth is a registered nutritional therapist and has a holistic approach to the individual. She is the regional co-ordinator for and a member of the British Association for Applied Nutrition and Nutritional Therapy. She has previously supported people at the well-known Penny Brohn Centre in Bristol.

Another date for your diary is Thursday 12th November when Barbara Bell will be talking about relexology and how it can benefit those with cancer as well as their carers. Reflexology is an effective, safe and pleasant therapy that can alleviate pain, nausea and fatigue as well as promoting relaxation and overall wellbeing.

Due to a generous grant from Macmillan we are currently able to offer free treatments to cancer patients attending our group sessions. This money is limited and so the offer will be available only until the funds are depleted. We are constantly fund-raising and applying for grants to replenish this bursary. If anyone would like to donate or fund raise for this worthy cause then please get in touch with the Centre. We welcome volunteers who can help in any way.

Wishing Well meets weekly on Thursday afternoons from 2.30-4.30 at the Axminster Health and Wellbeing Centre. We provide a safe space to meet, chat, have a drink and relax as well as many interesting talks and workshops.

If you'd like any more information or to be added to our mailing list please contact us on 01297 444951 or email info@axminsterwellbeing.com - or just come along on a Thursday afternoon.

Stop Line Way opens

THE latest section of the Stop Line Way walking and cycling route is set to officially open today (Tuesday).

The one kilometre section, from Seaton to Colyford, has been developed by Devon County Council over the past four months. An opening ceremony will be held today at 10.30am.

The route, which was granted planning permission in September 2011, provides an off-road connection from the cemetery, near Marsh Lane, in Seaton, to Colyford Common near the junction of Seaton Road/Popes Lane, in Colyford.

Beach hut break-in

A SEATON beach hut was broken into but nothing was stolen.

But approximately £40 worth of damage was caused as padlocks were removed. A police spokesperson said: "This happened at some point between 3pm on Saturday, October 10th and 7.30am on Sunday, October 11th.

"Any witnesses can contact the usual 101 telephone number, and the crime reference is CR/070740/15."

Mayor joins Lions to mark World Sight Day

■ LIONS Club members and Seaton mayor Tony Woodman holding white canes and (below) having donned their blindfolds

WORLD Sight Day (WSD) is an annual day of awareness held on the second Thursday of October to focus global attention on blindness and vision impairment – this year it was held on October 8th.

International White Cane Safety Day is on October 15th and is an opportunity to increase awareness of the white cane traffic safety laws.

The white cane was first used in 1921 by James Biggs, a photographer from Bristol. Lions clubs in the USA adopted the white cane in 1930 and its use quickly spread and is now used worldwide.

Seaton and District Lions Club celebrated these two events on Saturday by asking people in Seaton on Saturday to don a blindfold and walk through parts of the town centre using a white cane to guide them.

This was an effort to raise awareness of the difficulties that blind and partially sighted people face when going about their normal lives.

All of those who took part remarked on strangeness of being unable to see and how depending on the white cane to navigate around the streets made each small bump and obstacle disorientating.

A TRAVELLING art exhibition has reached Seaton Library, raising awareness of coastal erosion.

Erosion Zone is the work of artists Jeff Pigott and Julia Warin, commissioned by Jurassic Coast Trust last year, with funding from Arts Council England and support from West Dorset District Council and Dorset AONB.

The actual piece could easily be mistaken for an ordinary product stand in a shop, but closer examination reveals what has been described as "witty and thought-provoking items" relevant to the Jurassic Coast.

The exhibition will stay in Seaton Library until the end of October.

Photographed are library employees Skevoulla Hambilder and Pene Davis taking a look.

Apple festival helps Hawkchurch and Musbury partner schools grow together

PUPILS of Hawkchurch and Musbury primary schools celebrated their new partnership with an apple festival, *writes Anders Larsson.*

Both schools are members of the Two Valleys Federation and both are undergoing big changes.

The harvest celebration was one of several events set up to help pupils from the two schools get to know each other. Hawkchurch Primary joined the federation in September to benefit from the support of a much larger set up that includes Musbury and Sidmouth primary schools.

Executive Headteacher Paul Walker said: "We are very excited about the future for all our member schools as we watch them thrive and grow."

Musbury and Hawkchurch also share a new Head of Teaching and Learning, Jayne Vanstone.

She said: "I went to a village school, as did my daughters, and I know what a great experience it can be."

"By being part of the federation the schools have the best of all worlds – small class sizes and a close link to their communities – but they are also able to tap into the expertise and specialisms of a much larger concern."

Numbers are growing at both schools with Hawkchurch having 28 pupils and Musbury 23.

Mrs Vanstone said: "We have dynamic teaching teams and are able to give plenty of individual attention."

"The two schools can then get to-

gether for bigger projects like the apple day – which was great – or by sports and art projects.

"Both schools have a family atmosphere but very much with a drive for learning and being the best you can be."

"Both schools have a lot of land – with vegetable plots, fruit cages and a spiritual garden. If there is anyone who would like to volunteer with gardening or hearing readers et cetera, please do contact either school."

Ofwell pupils step back into Saxon times

YEAR 1 and 2 from Offwell School stepped back in time when they visited the Saxon village at Escot Park.

The children enjoyed experiencing what life would have been like more than 1,000 years ago learning all about traditional crafts, food, money and punishment.

The highlight of the day was undoubtedly when their teacher, Mr Dunning, was put in the stocks.

Kilmington school celebrates harvest

THE children of Kilmington Primary School, along with 60 parents and carers, gathered at The Beacon in Kilmington to hold their Harvest Assembly.

Welcomed by the Head Girl and Boys, the programme included a wonderful array of information and creativity, with each class presenting something on the different aspects of Harvest.

Baptist Pastor Darrell Holmes said: "Coly Class shared a piece about sharing bread with the hungry, and retold the story

of the feeding of the 5,000 from a memorised script.

"Yarty Class gave an informative piece about farming in Anglo-Saxon times and how communities worked together.

"Otter Class did a musical and rhythmic performance piece - called Thank you for the Harvest - and Axe Class told the audience how they help their families and friends in a variety of ways."

The assembly closed with a song called The Sharing Bread and a prayer led by Pastor Holmes. The whole school brought non-perishable food items that were taken to Axminster Canned Sunshine Foodbank, which will make a difference to lots of local families and individuals.

Women's Institutes ROUND UP

MUSBURY & WHITFORD

THE October meeting was held on 13th at Whitford Village Hall; as it was the Harvest Supper, the evening started at 7pm.

Apologies were taken and birthday posies given.

There was a short informative talk about the work of this year's charity, Read Easy. It has only been going just over a year and is now called Read Easy UK and is spreading all over the country, one branch just opening in Leeds, it helps people with their reading on a one-to-one basis.

Lee has been co-opted onto the Committee to train the Treasurer.

A letter of thanks was received from Honiton Disabled Fellowship Club, for their cream tea earlier in the year, plus a request for knitted penguins (Olympic sports ones no less) for the Musbury Christmas Tree Festival.

The supper, home made soup and many varieties of crumble and pies, was enjoyed by all. Margaret Barker gave the VOT.

There will be table of Christmas goodies at the November meeting. Meeting time is 14.15, at Whitford Village Hall, on Tuesday 10th November. As usual, all are most welcome.

Uplyme & Lyme Regis Horticultural Society

THE Autumn Show on September 26th was a great success to finish Brian Cursley's stint as Show Secretary. Neil Croton won a number of classes and the overall horticultural trophy, but others such as Henriette Wood (overall Home produce), Pam Corbin (tomatoes and fruit) and Sue Wells (Floral Art) also won trophies. A cheque for £400 was presented to the Fortuneswell Cancer Trust from the profits of the Summer Show in July. An overall coordinator is still sought for next year's shows, but the Committee has started the process of drawing up the schedule and hopes to be able to put on another great show in 2016.

The next talk in Uplyme Village Hall will be on Wednesday, October 28th at 7:30pm. The speaker is Charles Dowding, a well-known writer and speaker on gardening matters. His topic is "No-Dig Gardening" - how to get better crops and fewer weeds from your plot, with less back-breaking effort - a system Charles has used since 1982. Members free, visitors £3, with tea, coffee and biscuits before and after the talk.

November 25th is the Society's AGM, followed by a short talk on watercress growing from James Harper of the Watercress Company. New Committee members are sought, and a new auditor for the accounts. The 2016 shows will also be discussed. There is a good programme of trips and talks already in place for next year.

Portrait demo at Seaton

"If something is not quite right, leave it and come back later".

So ran the very wise advice from Gregory Wellman at Seaton and District Art Society's October demonstration in the Town Hall.

Gregory is an artist who has appeared in Sky Art's Portrait Painter of the Year, and is indeed returning to that programme this coming year, hoping to win the prestigious first prize.

He began a painting of his mother by lamplight in front of the club, using acrylics laid out on a wet palette which kept the paint workable for his two-hour demo.

He explained he used a photograph to work from since getting someone to sit as a model is practically impossible, as people have neither the time nor the inclination.

He was, he said, sharing the process of painting rather than attempting to produce a finished work, and any mistakes he made he would point out and discuss rather than skate over.

Members appreciated his easy ability to communicate and could see how the picture began to become an atmospheric painting of some depth, by gradual working and standing well back to check for balance

■ PORTRAIT artist Gregory Wellman

and composition. By the end of the demo members felt that a painting can always be a work in process, until suddenly the final touch is applied.

They applauded Gregory warmly as he stood back for a final time, and wished him well in his next television appearance.

The next demonstration will be in Seaton Town Hall on Monday November 2nd at 2pm. Visitors welcome at £3 each.

Axminster artists exhibit at Otter Nurseries

RISE to the challenge of an exhibition following only two months after their major summer show, Axminster Art Society members put on a splendid display of work at Otter Nurseries.

The venue was a first for the society and proved so popular with members that there was only just enough space to hang the 92 entries.

Otter Nurseries having very kindly offered the space over the August Bank holiday, shoppers buying plants there could branch out and consider purchasing some original artwork

as well as prints and greetings cards.

Marilyn White, the owner of Otter Nurseries, was asked to choose her favourite picture and ended up selecting not one but four! Top of the list was "The Incoming Tide" by Cynthia Source, followed by Sylvia Elsbury's "Fun at Sidmouth", "Lost on Dartmoor" also by Cynthia Source and "Running on the Beach" by Alison Kerruish.

All in all the exhibition has been a success, our thanks to Otter Nurseries for having provided a fantastic opportunity for our local artists to showcase their

work.

Not wishing to rest on their laurels, Axminster Art Society have two more shows coming up.

The first, on the theme of "Reflections", will be held at the Arts Café in Axminster throughout October.

The second is in collaboration with Apple Tree Gallery in Axminster and work will be on show and for sale over Christmas and the New Year.

For more details on these ventures and information on the society, visit our website www.axminsterartociety.uk

Axminster needs a relief road

■ IS it now time to rethink the proposed Axminster relief road?

The cause of the traffic congestion is clear. As so aptly described recently in an open letter to the Town Council, Axminster can no longer sustain the A358 through traffic that effectively has a stranglehold on the town.

The need for a relief road has long been recognised and about 30 years ago a western route was ruled out, presumably because of the cost (relative to an eastern route) of building the road on the flood plain floor of the river valley. However, a lot has happened in that last 30 years. The town has expanded year by year and is set to expand enormously over the next 10-15 years. Most of the expansion, including a new school and community centre, is on the eastern side and the EDDC Draft Local Plan now outlines a relief road on that side, subject to developer funding. A recent tentative and partial planning proposal hence provides for an arterial road through the middle of that development. It also forces the town's eastern boundary beyond that currently defined in the Local Plan. So all in all the endless debate over the relief road seems set to continue.

But there has been another change. Thirty years ago there was a 'perception' that man may be dangerously interfering with nature's control of the climate by an increasing dependency on burning fossil fuels for energy. Today that has changed to a 'realisation' that there is a high probability of serious damage to life on this planet unless we drastically reduce our carbon emissions. Yet, regarding the relief road, the Local Plan is proposing that the Seaton and Honiton portion of the A358 though traffic will have to climb to the top of a high hill and then drop all the way down again just to get to the other side of town.

However, a road starting, say, immediately north of the A358 railway bridge, hugging the firm base of the valley side at an elevation clear of anticipated future flood levels and finally joining the A35 in the vicinity of the base of Gammons Hill, would provide the Seaton and Honiton traffic with a reasonably level route and would place the Lyme Regis and Bridport

traffic at the start of a smooth and ready-made climb. It would all be relatively fuel and carbon efficient.

So today, the evidence seems to suggest that for a real and justifiable chance of action the Local Plan should provide for a non developer-funded western relief road as the only option, leaving Axminster free to develop further into a town where it is a joy to live, is pleasant to visit and where business can prosper.

Exeter NHS 111 'splendid'

■ HEARING on the news last week and reading a newspaper headline stating 'The NHS 111 service is in meltdown', I would like to record my enormous gratitude to the Exeter 111 team during my recent illness.

Mary, Laura and Chris, the call handler, responded to my call in the early hours of Saturday, September 26th with promptness, kindness and reassurance.

It was so wonderful when one is alone, ill and elderly, with a number of on-going health problems as well, to receive such outstanding service.

The duty doctor, Dr Rankin, then phoned me telling me not to hesitate in phoning 999 if my condition worsened.

Shortly afterwards I received a call from a Dr Shaw who told me out of hours GP Dr Daniels would be around to visit me.

By coincidence he happens to be from my local Townsend House Medical Centre. He went the extra mile as, busy as he

was, called in unexpectedly the next day - Sunday - to see how I was. Wonderful - I couldn't have received better treatment anywhere!

Since then I've had visits from my named GP, Dr Hurst, and phone calls too.

By the Monday, Dr Hurst had the report of my call to Exeter NHS 111 - what splendid teamwork. Who could ask for more?

Townsend House's new GP, Dr Dove, and their nurses and staff have also been great. Also, the Seaton and District Hospital Car Service 'TRIP' are a tremendous help for medical appointment, Sidmouth Home Safeguard 24/7, and one of my Home Safeguard friends, Debbie, could not have done more on this occasion.

I feel greatly blessed by the care of everyone in this splendid team and thank them from the bottom of my heart.

Health care 'agenda'

■ ONCE again I am at a loss to understand the isolated thinking between the various bodies involved in health care. Why is the Axminster Medical Centre persisting in an expansion that will only cause more problems for their staff and patients?

When my mother was moved to sheltered housing in Axminster, some 16 months ago, taking her to her first doctor's appointment was a nightmare. I couldn't find anywhere to park, despite her disability permit, and paid 50p to park in the council car park. The waiting room was full so I couldn't sit next to her and spent the following 40 minutes or so desperately trying to stop her nodding off. Luckily I wasn't fined for an extended stay but it was an additional concern.

In complete contrast, when I took her to Axminster Hospital for a hearing aid assessment the place was eerily quiet, with little use being made of the lower ground floor.

Later, following a fall, Mum was transferred to Axminster from Exeter. I was dismayed to see an unused ward beyond hers. That, of course, was followed by the total bed closures at Axminster and my mother being transferred to Seaton. As I live in Rockbeare the whole process has had a severe detrimental effect on my own health and will no doubt cost the NHS far more than needed in the future.

Why cannot Axminster Medical Practice move to Axminster Hospital? Yes, it would need adapting, but it would provide a central service with free parking and could probably also maintain at least one ten bed ward and, overall cost the NHS less.

Is there another agenda here that I'm missing out on?

Cutler's last stand?

■ HERE we go again!

Seaton Park (Devon Ltd), managed by Mr Cutler, has put in yet another planning application for the agricultural land east of Harepath Road. 15/2188/MOUT.

This is the third application to the Development Management Committee at Knowle, Sidmouth, on the same bit of land which has already been to Appeal and on every occasion the Developer has lost. The land in question was removed from the lists as a Reserve Building Site in the Proposed East Devon Local Plan which is before the Planning Inspectorate at the moment.

If Mr Cutler succeeds with this application he will effectively keep this land as a potential building site turning good agricultural land into building land.

This application looks small and attractive and surely only takes a small bit of good agricultural ground. But, be aware, if this plan is accepted it then opens the prospect for further building between Seaton and Colyford at a future date. We rose in number to defeat this before and if the Local Plan is accepted this land will be removed as a Reserve Building Site and make it very difficult for Seaton Park (Devon Ltd) to keep pursuing this unnecessary application.

Make this 'Cutler's Last Stand'. Write in protest to the Development Management Committee, by 27th October, quoting the above reference number.

The Green House

Unique upcycled recycled painted furniture clothes
artisan handmade crafts jewellery fair trade shop

26 Silver Street, Ilminster, Somerset, TA19 0DR

upcycled_green_house@hotmail.com

0770h 566796

THE GREEN HOUSE was opened in October 2014 by George and Richard who saw an opportunity in today's throw away culture to merge their passions for the environment and art by turning unwanted furniture and other items into recycled, preloved and repurposed pieces which have a new, fresh, vibrant and attractive look to them. It is not only furniture that they turn their hand to though. Items such as knives, forks and spoons are transformed in their workspace from mundane everyday objects to funky, usable and practical light fittings. There is a treasure trove of jewellery to choose from, ranging from steam punk to recycled biscuit tins, all uniquely hand-

crafted and perfect as gifts. There is also a nice variety of clothing and fair trade items from around the world available.

Commissions form a big part of their working day. Customers can bring in their tired furniture to the shop to be revived into something new and funky or they can source items for their customers and make their own chalk paint and colour match to whatever the customer chooses.

The Mantra that The Green House has been built upon is best summed up by folk singer and environmental activist Peter Seeger, "if it can't be reduced, reused, repaired, rebuilt, refurbished, refinished, resold, recycled or composted then it should be restricted, redesigned or removed from production". This is reflected not only in the unique creations that are made in-house, but also in the items that are showcased in the shop by other local artists.

The Green House is an organic growth from George and Richard's other business, Playart; which delivers workshops to children using recycled materials to do quirky educational workshops. They work with playgroups, playschemes, local government, childminders and families, festivals, churches. They even do birthday parties!

Their hope is to educate people to use their imagination and reuse already existing products to create wonderful, practical items making the world a greener, brighter place.

AUTO Enrolment is the government's scheme requiring all employers to set a pension scheme in to which their employees must be enrolled. You may have received a letter from The Pensions Regulator (TPA) asking you to nominate a contact for them to deal with.

You cannot afford to ignore this request – see the penalties below. HM Revenue & Customs are already imposing these on employers who do not get it right!

What is your Staging Date?

The Staging Date is the date by which you must have

- A pension scheme in place;
- Assessed all your employees to see if they are eligible to be included in the scheme; and
- Given all your employees details of the scheme so that they make an informed decision as to whether they wish to opt out

There is no time to lose as the likelihood is that it will take at least three months, if not longer, to set up a scheme.

Eligibility of employees

There are different categories of employee, dependent on age and level of pay. As an employer you must enrol those employees who are eligible in to the pension scheme – you have no option! It is up to the employee to advise the Pension Provider that they wish to opt out.

Penalty for getting it wrong

There are some very serious penalties for:

- Not having a scheme in place by your staging date;
- Not enrolling employees who are entitled to be enrolled;
- Missing pension payment deadlines;
- Advising or coercing your employees to opt out; and
- Many other administrative errors.

With the initial penalty for non-compliance starting at a fixed £400 and escalating daily, ignoring auto enrolment can be an expensive matter.

If you need help to set up and administer your auto enrolment scheme call Simon Bachrach or Steve Curtis on 01460 279000.

COLYTON Football Club

Peace Memorial Sports Centre and Playing Field

First Team: FRESHA Devon & Exeter Division One

Reserves: FRESHA Devon & Exeter Division Seven

A FORMER vicar in Colyton founded the club, originally Colyton Working Men's Football Club. The Reverend G E F Molyneux staged the meeting at the parish's former Sunday School and the team played its first league game on Saturday, September 3rd 1910 in The Perry Street & District Football League. The record books will show that it was not the most auspicious of starts, finishing bottom of the league with a record of

P	W	D	L	F	A	Pts
16	0	0	16	8	116	0

Obviously things improved and slowly but surely Colyton established themselves as a very well respected footballing side. The first few seasons saw home games being played out of the town in the village of Umborne. The club then moved to a pitch called 'Sheep's Nose' which was on top of Mount Hill. The home ground moved again to Hillhead, to Bolt Field, near the Railway Station. After World War 2, Colyton settled at the long standing home of Chantry Bridge. The farmer who owned the field lived by the pitch and he was very keen on football and watched every home game. He charged an annual rent of £10 per season with a bonus that he reduced the rent every time the club won a home game. The club relocated to the Peace Memorial Playing Fields for the start of the 2008-09 season, leaving many clubs envious of the pitches and open spaces available to Colyton.

The 1920's were a very successful time for the club, having attracted top players, many of them teachers from the Grammar School. This success was highlighted in 1925 when the club won the prestigious Morrison Bell Cup, an amazing feat at the time for a small 'village' team. The opponents in the final were Budleigh Salterton and the game ended as a draw. The replay

was held at Honiton Town, with Colyton winning 1-0. The victorious team returned to Colyton by train, where they were met by the town's brass band and then they paraded the cup through the lanes to a reception in the Town Hall, which was attended by virtually all inhabitants of the town.

The 1950's saw Colyton leave Perry Street football and join the ranks of the Exeter & District League, with a Youth Team emerging around the same time. They soon became a real force in local football with notable players such as Harold Gooding, Dennis Parr and Ken Clifford Snr leading the way.

Colyton saw a barren run between 1966 and 1978, with no trophies won. However, this changed in the 1978-79 season with the club winning a historic treble under the management of Eric Pomeroy. Colyton helped themselves to the Intermediate 1 East Division title, the Devon Intermediate Cup and the Grandisson Cup.

Over the seasons Colyton have won many cups and league titles, but have always had their feet on the ground as a community club which supports the local community and also values the support it receives from the community. There have been many generous sponsors who have backed the club over the seasons, and the club are extremely grateful for all the donations and help it has received.

TCAS Ltd Accountants are the current first team and away kit sponsor, and Mole Avon are sponsor of the reserve team. Other main sponsors are, Sean Greig Auto Repairs, Paul Millman Electrical and The Colyton Kitchen Company, the club are very appreciative of their support.

Last season Colyton finished in 4th position in Devon & Exeter Division 2 and were promoted to Division 1, where they have got off to a fine start this season, winning 5 matches out of 5. The Reserves finished in 5th position in Division 8 and were promoted to Division 7.

The club has over forty players signed on for the current season, including new signings Keith Forsey (from Millwey Rise), Simon Ward (from Axminster Town), George Holland and Liam Nicholls.

Alan Potter is managing the First Team this season, with Matthew Orsman continuing in his role as Reserve Team manager.

Alan said: "After many years playing at Beer and Seaton, and managing at Seaton for 7 good years, it was nice to get the opportunity to be involved with Colyton. My dad was a Colyton boy and always wanted me to play at Chantry. Unfortunately he passed away before I had the chance, but I hope that he's looking down with a big smile on his face."

There has been a lot of recent activity behind the scenes at the Peace Memorial Playing Fields, where Colyton play their home games. The Colyton Playing Fields Association, with additional monies secured by Colyton Parish Council from the Devon County Council Investing in Projects from the Sale of Exeter Airport Fund, has completed the building of The Tractor Shed. The purchase of a compact tractor has also been undertaken to enable pitch maintenance throughout the year. In addition, with a generous donation from Colyton Carnival it has been possible to purchase new grass cutting and pitch maintenance equipment. Furthermore, work has also been recently undertaken to improve the drainage on the main pitch and the next project is to install dugouts to improve the facilities at the Peace Memorial Playing Fields.

It is proposed to install perimeter advertising boards around the main pitch in the near future and anyone interested in sponsoring an advertising board should contact Roy Turner, on 07540696110.

Any new players are welcome to turn up to a training session, which take place at Colyton Grammar School on Tuesday evenings, from 18:30-20:00.

Q&A with Alan Potter

How long have you been associated with Colyton FC, and in what capacities?

This is my third season after Matthew Orsman asked me if I would like to help him for the season with a view to my taking over the following season.

Who have been the best three players you've seen play in the red shirts of Colyton FC?

With only three seasons at the club this is a hard question to answer but without upsetting the rest of the squad, the three players that would always be first on the team sheet are Callum Somers, who scores goals for fun! Nathan Maddocks because of the relentless work he puts into every game, and Paul Millman who is one, if not the best, captain I've had as Manager.

Do any particular games or incidents involving 'The Tanners' stick in your memory?

This is an easy one, the 4-3 win last season away to Upottery, not only did that avenge the 7-0 home loss to them but also ended Upottery's near three year record of not losing at home.

How would you improve facilities at your Peace Memorial Ground home?

Work is underway at the moment, improvements are being made to the drainage on the pitch, the remainder of fencing and creating new dugouts.

What are your hopes for the new season in the Devon & Exeter League?

This is my tenth season of managing a senior football team, having previously managed all three Seaton teams and now at Colyton, each new season is all about targets. The first target is to get the first win. The second is to get to safety and the third is to get as many points as possible pushing the team to promotional level.

Name some of your young players that we should look out for in the future.

One of the best things about Colyton is the youth ethic, at the moment I have the likes of George Richards, Matthew Berry, Ashley Driver, Sam Riley and Theo Hill but there are many more as the club has an excellent youth set up.

Axcess Electric Bikes

Five years Trading brings new Challenges

AXCESS-ELECTRIC-BIKES are celebrating 5 years of selling electric bikes in Honiton. During that time they have developed their own Axcess brand as well as selling other branded bikes. But now the company is facing a major change in the legislation controlling Electric Pedal Assisted Cycles (EPACs). As part of their programme of European harmonisation, the Government has accepted that EU legislation should take precedence. In The EU, the "Twist & Go" throttle is not legal.

All the electric bikes, including the Axcess brand, that are specifically manufactured for the UK market must be modified by 1st Jan 2016 to operate without a "Twist & Go". Peter Blackman, Director of Axcess, said that they have always regarded the throttle as a safety device for hill starts and when in traffic. Although it appears that the UK Government would allow an EPAC with a throttle to operate without Registration, Insurance and wearing a helmet, at present there does not appear to be any mechanism for achieving

Type Approval, other than for each individual bike to be certificated at a rumoured cost of £250 per bike. Any electric bike outside the EPAC Regulations will be classified as a moped.

Customers are being encouraged to purchase before the New Year, as the Government has made it clear that any electric bike legally on the road before January 2016 will remain legal to use.

Peter Blackman confirms that Axcess is working with their suppliers to produce a new bike that not only incorporates the latest battery and electronic advances, but also complies with the new legislation.

Honiton
CARNIVAL

CARNIVAL week has arrived kicking off on Wednesday 21st October with a Meat Bingo in the Mackarness Hall, eyes down at 8pm. Then on Thursday 22nd October there will be a Children's Fancy Dress Party for children up to 8 years old in the Mackarness Hall from 4pm - 6pm, fancy dress competition, bouncy castle, entertainment and tea provided, £2.50 per child.

The carnival procession takes place on Saturday 24th October starting at 7.30pm prompt from Ottery Moor Lane. The roads will be closed at 7pm. We have around 50 entries at the moment, including floats and walking entries from Devon and Somerset

The procession will be led by the Blackdown Samba Band, the Honiton Carnival Queen, Jess Greenslade and princess, Lydia Josko and Honiton's Mayor, Caroline Kolek who will be walking the route with some helpers.

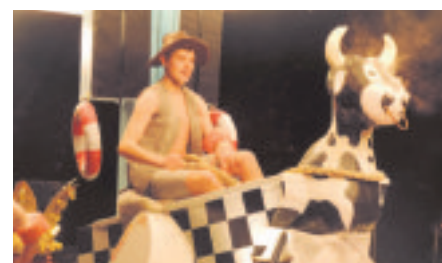

There will be several collection buckets along the route along with the official collection floats in the procession and we would ask everyone to give what they can to the collection which, in part, goes back to local charities.

A lot of work goes into creating the carnival entries throughout the year so we ask the crowd to applaud and cheer the entries as they go past and see if we can be the loudest and best carnival in East Devon!

HONITON Mayor, Caroline Kolek crowned Carnival Queen Jess Greenslade and Princess Lydia Josko on the 10th October. President of the carnival committee Myrtle Harris is also pictured. The duo were presented with the tiaras and sashes at the Honiton Craft Fair, which was held in the Mackarness Hall on Saturday (Oct 10th).

Axe Vale Orchestra's Autumn Concert

THE AXE VALE ORCHESTRA presents a programme of pastoral and lyrical music for its autumn concert at 3.30pm on Sunday, October 18th in the Minster in Axminster.

Opening with La Calinda, the beautiful dance melody from Frederick Delius's opera Koanga, the concert continues with AVO's principal horn, Jonathan Stone-

man playing Mozart's second horn concerto. Jonathan will perform on a modern valve horn, but also demonstrate the 'natural' horn, the type of instrument on which Mozart and his contemporaries would have heard the work.

The second half of the concert will be Beethoven's Symphony no. 6, the 'Pastoral', evoking a day spent in the country - his first

impressions, going past the stream, hearing village celebrations, and coming safely through a violent storm.

Tickets at £10 are can be purchased at the Archway Bookshop, Axminster. There is no charge for children and students. As usual, tea and home-made cakes are available after the performance.

Musical Theatre Society prepare for Jesus Christ Superstar

JCS is the rock opera by Andrew Lloyd Webber and Tim Rice, which is loosely based on the gospels' accounts of the last week of Jesus's life. A large part of the plot focuses on Judas who is depicted as a tragic figure dissatisfied with the direction in which Jesus steers his disciples.

Audition rehearsals take place on the 28th October and the 2nd November with open auditions themselves on the 3rd November at the Manor Pavilion Arts Centre and the 4th of November at St Peter's Hall, Sidford. Gigspanner return to The David Hall

SINCE HIS DEPARTURE from folk-rock pioneers Steel-eye Span at the end of 2013, legendary fiddle player Peter Knight has turned his full attention to his trio Gigspanner, and in the process has firmly established their burgeoning reputation as one of the most innovative acts on the folk/roots scene.

Justifiably met with significant critical acclaim, Gigspanner's riveting new album 'Layers of Ages' sees the band blowing the dust from a collection of well-worn traditional music and song to reveal authentic moments of staggering originality and great beauty, and has been added to the Telegraph's 'Best Folk Albums of 2015' list.

Hailed by Songlines magazine as "another milestone in folk's rebirth of cool", Gigspanner present a carefully curated and skillfully narrated program of material that goes way beyond the folk genres usual boundaries. Modern in interpretation yet classical in its virtuosity, it is music that continues to inspire audiences of all leanings, bringing them back for more.

Peter is joined by Roger Flack on Guitar and Vincent

Salzfaas on Percussion.

Peter Knight's Gigspanner play at The David Hall, Roundwell Street, South

Petherton on Friday, November 13th. Doors 8pm. Tickets £15 from 01460 240340.

Luck be a lady tonight!

LUCK IS certainly a lady for Axminster Musical Theatre, whose production follows their smash hit *Jesus Christ Superstar* last November.

One of the most popular musicals ever written, the show is frequently described as the most perfect musical, combining stunning musical numbers, hilarious characters and a romantic boy-meets-girl story.

Hits such as "Luck, Be a Lady Tonight", "Take Back Your Mink", and of course, "Sit Down You're Rockin' The Boat", this production fizzles with energy, charm and entertainment. To see this stunning production, dates are Tuesday 17th to Saturday, November 21st at 7.30pm with a matinee on Saturday 21st at 2.30pm. Tickets are available on line from www.axminstermusicaltheatre.co.uk or from the Archway Bookshop 01297 33595

Luke Jerram comes to Devon with Museums at Night

EAST DEVON'S Thelma Hulbert Gallery (THG) is set to launch 'Harrison's Garden': an ambitious new art installation as part of the national Museums at Night festival this October.

After defeating other UK venues to win the chance to work with celebrated international artist Luke Jerram, THG is hosting the artist's spectacular clock installation featuring 1,000 clocks at their public art gallery in Honiton, Devon.

Luke Jerram, who is based in Bristol, commented 'This is an exciting opportunity to collaborate with an arts organisation I've not worked with before, on a new experimental project. It's a great privilege. I have collected hundreds of old clocks and sorted them into categories and sizes to create a garden of time. The clock-maker John Harrison's clocks were a breakthrough in chronology, hence Harrison's Garden. Each area of the installation will sound different. The public will recognise some of the clocks from their home and from their past. The clock sounds will heighten the visitor's awareness of time passing.' Luke Jerram is an internationally renowned artist, with work exhibited throughout the world including the Metropolitan Museum of Art, New York. He is known throughout the South West for his 'Park and Slide' which transformed Bristol's Park Street into a giant water slide.

Gallery Curator, Angela Blackwell praised the public support which saw the gallery winning the national vote "Winning has given us this fantastic opportunity to work with Luke Jerram. Our supporters have been hugely generous in donating their clocks to create this installation which opens from 27 – 31 October with a really exciting programme of activities, talks and workshops throughout Half Term. THG will be open till 10pm on Friday 30 and Saturday 31 October to celebrate the Museums At Night Festival"

Rosie Clarke, Museums at Night commented 'It was wonderful to see how the people of Devon voted for THG to win the chance to work with Luke Jerram. Luke's one of the UK's top contemporary artists, and the mysterious 1,000 Clocks installation he has created should give visitors a truly magical experience.'

This installation is sponsored by Bearnes, Hampton & Littlewood auctioneers

Session Americana

SESSION AMERICANA, a band/collective of talented musicians, craft a musical experience unlike any other.

On stage is a collapsible bar table, wired with microphones, a vintage suitcase recast as a kick drum, an old Estey field organ, a pre-war parlor guitar, a mandocello and all of its smaller siblings, a harmonica case fire damaged when Jack's bar went up in flames and graffitied by Depeche Mode roadies, and an assortment of other instruments that get passed around in this freewheeling modern hootenanny.

The anything-could-happen feel of a Session show depends on craft that's not acciden-

tal or easily won; they bring a kind of ease and genuineness to this timeless music, sometimes presenting the latest batch of original songs, sometimes reaching back into depths of the American 'song bag'.

Session Americana perform at The Beehive, Honiton this Friday, October 23rd. For more details see the advert below.

SPOTLIGHT

SPOTLIGHT ON MY SERVICE

Jim Rose Qualified Window Service Engineer

My name is Jim Rose and I am a fully qualified window and door service engineer, repairing double glazed windows and doors in the Exeter and East Devon area for over 30 years. before establishing my own repair business 20 years ago I worked for national companies Anglian and Europlas where I gained vast experience in many areas of my trade and excellent customer care skills.

I specialise in Misty double glazed sealed unit replacement, this is when it looks like there is condensation between the glass, all my replacement units are manufactured locally and carry a 5 year guarantee. I measure and fit all my own units which helps to keep costs competitive.

If your windows and doors are draughty, leaking or not closing correctly there are thing that can be done to resolve these problems, sometimes it is just a simple adjustment or maybe new hinges or closing mechanism, no matter how old they are there is normally a solution many parts are still available.

I offer free quotations with no call out charge and all my repair work carries a guarantee.

Unprecedented numbers surge to buy ultra low emission cars

LATEST new car registration data shows booming demand for plug-in cars as motorists tune in to the cost-saving benefits of ultra low emission motoring. Analysis by Go Ultra Low shows that 20,992 motorists made the leap to plug-in power between January and September this year, a bumper growth of 138.5% against 2014.

Fuelling the demand is a greater choice of models, with more than 27 pure electric or plug-in hybrid cars now available in the UK, ranging from high-performance sports cars to capable family run-arounds. The new data shows consumer appetite rising rapidly for plug-in hybrid models with demand accelerating ahead 226.5% against 2014 with 14,041 registrations.

Head of Go Ultra Low, Poppy Welch, said, "The growth in plug-in car registrations is excellent news and in line with our expectations. This trend should continue over the course of this year as we know that motorists are keen to achieve maximum miles for the lowest cost, while minimising emissions and environmental impact."

Shifting shares

In line with a trend seen throughout this year, registrations of ultra low emission vehicles continue to grow their share of the new car market, taking more than 1% share for the year so far. Up significantly from the same period in 2014 when just 0.44% of registrations were plug-ins, this move to new technology demonstrates the value motorists place in a variety of

options, enabling them to pick the car that best meets their needs.

Plug-in bestsellers

The newest statistics reveal that Mitsubishi leads the new registrations charge, with 9,303 of its flagship Outlander PHEV sold since the start of 2015. Nissan follows with its all-electric LEAF racking-up 4,285 registrations, and BMW's i3 is the nation's third most popular ultra low emission vehicle, also nearly doubling its tally with 1,564 registrations.

Future market

Government anticipates that 5% of new car

registrations (around 100,000 units) will be ultra low emission by 2020 – an expectation that appears on track in light of recent rises. As more motorists look to manage running costs, a money-saving end goal could be providing the momentum for the surge in electric vehicle popularity.

Electric cars can be driven for as little as 2p per mile, compared with 10-12p for a conventionally powered car. Furthering their appeal, the variety of city, family, SUV and sports cars provides the practicality motorists crave, while boasting up to 700 miles range.

More than 17,000 convicted of careless driving in past two years, IAM discovers

THE Institute of Advanced Motorists (IAM) can reveal that more than 17,000 people have been convicted of careless driving offences since police were given the power to issue fixed penalty notices for it two years ago.

The figures come from a Freedom of Information request by the IAM, Britain's biggest independent road safety charity, to every police force in England and Wales.

The statistics cover the two years from August 2013 to August 2015. A total of 17,468 people were convicted of this charge in this time period.

Some 33 out of 43 police forces responded to the IAM's request. The force area with the highest number of people convicted was Essex (3,630), followed by Humberside (1,998), Nottinghamshire (1,139), Derbyshire (949) and Hampshire (929).

On 16 August 2013 police were given the power to give on-the-spot penalties for drivers who put other road users' lives at risk for offences such as tailgating and poor lane discipline.

Local Sport – football round-up

by Howard Larcombe

Hooole hits four as Millwey Rise march on Nap-hand wins for Axminster Town Reserves and 3rd teams

Clyst Valley 4 Beer Albion 3 D&E Premier

DESPITE being in front for most of the match, Beer Albion, in desperate need of league points, went down 4-3 in a nail-biter at Clyst Valley.

Centre back, Joe Adkin, received his marching orders early in the first half for two bookings both of which appeared somewhat harsh.

Despite this, The Fishermen led 2-0 at half time through Seth Wakeley and Jacob Clode.

Clyst pulled the scores level with two strikes early in the second half. But 10-man Beer went 3-2 ahead through Josh Harrison, only to be thwarted by two injury-time goals.

Amory Park Rangers 1 Axminster Town Res 5 Division 4

WITH the Axminster Town inactive it gave the second team a chance to take centre stage.

They took the lead after five minutes when Ben Turner found the bottom corner.

They continued to dominate for the rest of the half but failed to turn their dominance into goals and they were then caught out on the stroke of half time, conceding a goal from a corner. But they restored their lead in stoppage time through Oli Hight.

Joe Urghart was brought on for the second half and soon caused the Amory defence problems with his pace. A good move saw Alex Wheatley extend the Tigers lead on 62 minutes.

Full back Leigh Beer then scored with a fine shot into the top corner and Adam Cowling rounded off the scoring eight minutes from time.

Dunkeswell Rovers 1 Millwey Rise 4 Division Six

MILLWEY Rise's 100 per cent league run continued with a 4-1 win at Dunkeswell.

It took 10 minutes for Levi Hooole to open the scoring with a header from a corner. Hooole made it 2-0 on the half-hour from a Mark Pike cross.

Ten minutes later Hooole got his hat-trick. Rise started the second half with 10 men due to an extended toilet break and within that time they conceded a goal making it 3-1.

Hooole rounded off the scoring in the 70th minute Hooole with his fourth of the game and 20th of the season.

Axminster 3rds 5 Feniton 3rds 0 Division 9

THE Tigers took the lead in the 10th minute courtesy of a Fenny og. Axminster continued to push ahead and it came as no surprise when Elliot Bastin increased the lead and was quickly followed by his cousin Tom Bastin making it a deserved 3-0 at half time.

The second half unfortunately saw Elliot Bastin sent off for a second yellow, but it didn't affect team, who continued to dominate and Dan Beer scored a fourth from the penalty spot and John Vaughan rounded off the scoring.

Round-up with Collin Goodwin
ELMORE regained top spot in the Premier Division on goal difference after they beat a very good NEWTON ST CYRES team 4-1.

Last week's cup debacle against Heavitree, which is still awaiting a decision, was shelved as the Eagles turned on the style, Jordan Copp slamming a hat-trick and Kieran Rapo getting a single.

HONITON TOWN drew 1-1 in their derby clash at FENITON after conceding an own goal just minutes after taking a second-half lead through Jack Knight.

Feniton drop to fourth as TOPSHAM TOWN won 2-0 against HATHERLEIGH TOWN, Aaron Street getting both goals.

HEAVITREE won 3-1 at a fading SIDBURY UNITED, while SEATON TOWN also won 3-1 at home to BOW AAC.

EXMOUTH AMATEURS kept their 100 per cent record intact winning 2-0 at COLYTON and are now five points clear as Division One leaders, Jamie Williams had the Ammies second goal after Colyton conceded a first-half own goal.

UPOTTERY were six up by half time at LYMPSTONE but eased up and settled for a 7-0 scoreline. Jason Kennard (4), Steve Morris (2) and Joe Jones had the goals.

Division Two leaders HENRY'S CRONIES hit HALWILL for six without reply, Mike Benyon starring with a hat trick. Billy Rouse, Ryan Burrows and Liam Carey added singles.

Joe Bond (3), Julien Simier (2), Steve Batey (2) and Rob Fellingham shared the goals as LYME REGIS thrashed NEWTOWN 8-1 on their own turf.

Joint Division Three leaders LAPFORD and AXMOUTH UNITED have opened a five-point margin after impressive wins.

Axmouth won 4-1 at CHAGFORD with Matt Ellis (2), Jon Cooper and Jacob Hayes on target.

BAMPTON shocked Division Four leaders HONITON TOWN 5-0 with Liam Ayres (2), Jason Manley, Ryan Stanford and Jonny Lacey on target.

Division Five leaders OTTERTON had their unbeaten record blown away by a revitalised BEER ALBION 4-0. Player-manager Simon Smith (2, the first a 35-year effort), James Spiers and youngster Ross Broome netted for the Fishermen.

That result enabled FENITON to close with a point after they won at OTTERTON ST MARY 2-1.

WHIPTON & PINHOE stay on their shoulders of Division Six leaders MILLWEY RISE after they won 4-1 at nearby STOKE HILL.

In Division Seven LYME REGIS RESERVES are hot on their heels of leaders TIVVY PARK RANGERS after they won 7-2 away at LANGDON RESERVES with Lee Cleal grabbing five and Fred Thomson two.

◆ For the first time in five seasons the Devon & Exeter League struggled to find referees for all its fixtures. The League will meet this week with a view to rectifying this sudden shortfall.

PERRY STREET LEAGUE

THE top v bottom clash in Division One had added spice with high-flying HAWKCHURCH UNITED making the short trip to take on neighbours Thorncombe. The first half belonged to the Hawks with Andy Dymond scoring twice to put them in control at the interval.

But the hosts fought back to score twice after the turnaround through Alex Atkins and Wayne Stanton and banked their first point of the season.

"We had chances to win it at the end - but I'm happy with the draw," said Hawkchurch manager Martin Bright.

Bright's side now turn their attention the Daisy Hutchings Cup and a first round tie at second-Division outfit Hinton on Saturday.

Over at Jocelyn Park FARWAY UNITED failed to make inroads at the top of Division Two as they were beaten 4-1 by hosts Chard Utd Res. Jack Murrel netted the consolation.

Farway are in Daisy Hutchings Cup tie action at the weekend when they travel to face Combe A on their Slades Cross slope.

Goals from Ross Chatwood and Reece Hagen couldn't save FARWAY RESERVES from a 4-2 home defeat against Crewkerne Rangers Reserves.

The Farway second-sting welcome reformed Fivehead to Eastlee Park on Saturday.

Popular Tessa appointed new club coach

BY PAUL HARRISON

MORE than 20 swimmers from Chard & District Swimming Club made the journey to Millfield School to compete in the ASA Somerset Development Meet, with a vast number of personal best and county qualifying times achieved.

Collectively the swimmers obtained 22 medals and a massive 70 personal best times; the development gala is to help swimmers set new times on events or to improve to achieve county qualifying times.

Hannah Pullinger won the 100m freestyle and in the process also achieved a regional qualifying time, whilst Simon Davis claimed two gold medals to add to an impressive medal haul. There were also gold

medals for Jamie Pullinger (50 freestyle) and Grace Lambert (200 freestyle).

Tessa Down took on the role of Club Coach over the weekend and her efforts were recognised by swimmers and parents alike, providing valuable feedback and paying close attention to areas for improvement whilst keeping the youngsters motivated.

With the season recently resumed, there is plenty of time for further improvements, making these results all the more positive.

Swimmers taking part were: Sarah Cawley, Abbie Herbert, Megan Herbert, Benjamin Webb, Simon Davis, Esme Huntley, Kaitlyn Flannigan, Xanthe Dyer, Jessica Fowler,

Oliver Bright, Catherine Webb, Mia Huntley, Louis Whittome, Freddie Coles, Sam Hare, Grace Lambert, Harriet Copeman, Jevan Hampton-Rumbold, Katie Hampton-Rumbold, Jamie Porter, Paul Harrison, Hannah Pullinger and Jamie Pullinger.

CRICKET St THOMAS

with Bert Robinson

THE start of the week saw many of the Cricket St Thomas Seniors taking part in an invitation competition at the St Mellion club in Cornwall.

This annual competition is in the format of match play between a composite team from Lyme Regis, Long Sutton, and Cricket St Thomas against the St Mellion Club, who have held the trophy since its inception four years ago.

The visitors were triumphant this year, winning the match by 8 games to 7.

Back home, 10 three-man teams took to the course for the two from three yellow ball competition.

Played in fine conditions, the clear winners were Phil Hunt's team who were 10 shots clear of the side led by Brian Anderson.

Results: 1st Phil Hunt, Roger Stone & John McOmish 102pts, 2nd Brian Anderson, Keith Branchflower & Danny Dowell 92, 3rd Nobby Hodder, Bryan Frost & Keith Potter 91.

Thirty eight Seniors entered the October qualifying stableford on Wednesday.

The cold, but generally fine conditions saw three players register scores of par or better. An outstanding 38 points was recorded by Trevor Dobson, with Ray Gudge just securing second place over Danny Dowell.

In Division Two Mike Dawson returned a score of 36 to secure the win by just two points from Andy Beale.

Results - Division One; 1st Trevor Dobson (38), 2nd Ray Gudge (36), 3rd Danny Dowell (34).

Division 2 - 1st Mike Dawson (36), 2nd Andy Beale (34) 3rd Bryan Frost (33).

Thirty nine Seniors ended the week on Friday with a three-man "waltz", whereby all members have to score on six holes.

A battle soon ensued between John Wallis's trio and that of Bob Barrow.

At the final hole, all members of the former team managed to score well which earned them victory by a solitary point.

Result: 1st John Wallis, Dickie Hall & Nobby Hodder 79pts, 2nd Bob Barrow, John Wandless & Robin Flower 78, 3rd Jerry Stephens, Ron Sutherland & Andy Beale 73.

Men's section

TWO men's finals took place this week. Both singles match play, the competitions commenced back in June.

Firstly, the aptly named Phillips Cup for handicaps 0-16 - emerging as winner was Ben Phillips beating James Spiller in a closely fought final.

Secondly, the Mansfield Cup for handicaps 16-28 - not wanting to be outdone by son Ben, father Julian a few days later won this Cup by defeating Roger Matthews in the final.

Thirty members enjoyed the annual Mixed Fours two-day break at Bowdow Park. Teams were drawn each day and played in a 4BBB Stableford format with two scores to count full handicap allowance.

The first day the winning team with 80 points were Dot Grove, Lesley Oxenham, Steve Blundell & Charlie Doherty. Second place with 79 went to Linda Blundell, Elizabeth Wood, Laurie Tollemache & Phil Wall. Catherine Doherty, Olwen Eaton, Bob Barnes & Paul Ritchie were 3rd with 78.

On the second day, the winners with 75 points were Dot Grove, Elizabeth Wood, Bob Barnes & Bill Eaton. Second place went to Catherine Doherty, Olwen Eaton, Charlie Doherty & Chris Poole and third place was taken by Stephani Barnes, Linda Blundell, Max Pipe & Paul Ritchie with 73.

Tuesday Mixed

MEMBERS enjoyed the lovely autumnal weather last Tuesday. Playing in teams of four, two ladies and two gents - the format was a Stableford competition off full handicap with the best two scores to count on each hole.

The winning team were Jane Watts, husband Mike and Andrea & Stan Squire with an excellent 89 points, a score helped by Stan chipping in on the 13th hole for four points.

Second place with 79 points went to Jennifer and Richard Pyle, Rosemary Whiteley & John Frith.

played to par or better.

Top of the class was Bob Cockett, winning Division Two with 39 points, beating John Chew by two. Jack Phillips took third place and David Lavender and Tony Proudfoot took the last two prizes in that division.

Leading Division One was Pete Morgan with 38 points, just beating Mike Kent. Eric Short was close behind and next up was Stan Squire, beating Paul Ritchie on count back.

AXE CLIFF with Peter Motson

THE Seniors' annual competition for the Club Silver Salver resulted in a close fought finish that went right down to one single Stableford point.

The winning team of Sid Pember, Neil Moorcraft & Mike Tormes scored 71 points.

The format of best single scores on first six holes, best two scores on next six holes and, all three scores on the last six holes, proved to be an enjoyable but good test of teamwork.

In second place, with a total score of 70, was P Hornsby, T Strong & J Hannah and in the third were J Mant, P Wilkins & J Bannister with 67.

The Seniors annual Captains v Past Captains match, was won by the Cap-

tains 4-2, their winning pairs results were: T Strong & M Jamieson 1 hole, B Graham & A Bishop 1 hole, J Pugh/A Bishop 3&1, N Povey & P Hornsby 4&3.

Past Captains wins were: K Wilson & B Dale 1 hole, R Bragg/N Bowles 5&6.

The Seniors' recent away League matches away at Wheathill and Fingle Glen failed to bear fruit.

Wheathill won four games and Axe Cliff halved the other two. Fingle Glen won all five games including one pairing comprised of two Axe Cliff members, Tony Strong and Malcolm Reynold due to Fingle Glen not turning out a full team.

The Seniors Winter League 2nd round was won by T Jessop & A Bishop with 35pts, 2nd were A Vincent & G Cox (34) and 3rd on c/b were T Strong & D Lacey (34). Bob Graham scored the only hole in two.

The Ladies section three clubs and a putter competition was won by Helen Kenworthy & Jill Wellington, 2nd Sandra Walker & Stella Thompson and in 3rd were Glenda Board & Jo Donmall.

Meanwhile, the Mens' October Bowmaker pairs winners were Simon Sweetland, Andrew and Anthony Hellier. Anthony Hellier recorded a 2 as did Peter Pertherbridge and John Collins.

A much closer success came against Donyatt by just one shot with a top triple of Yvonne Williams, Di Morley & Roger Binmore.

The ladies fared less well in their friendly at Madeira going down 50-78, although Yvonne Williams scored yet another top rink place along with Myra Singleton, Phyllis Milner & Rita Barwick 24-14.

In the national Over 60 Ladies Mason

Trophy Honiton beat ISCA with their A team but lost to another ISCA double rink with their B team.

THE annual BRANSCOMBE APPLE PIE 45 competition was held at The Institute, Ottery St Mary on Sunday, October 11th to raise money for the Devon Air Ambulance.

A full compliment of 16 teams from all over the South West made this a very high level competition.

Chard girls off to winning start!

WITH GLYN HUGHES

WITH no fixtures for any of the three senior XV's attention at Chard RFC turned to the club's Colts and newly formed Ladies U16s teams

Chard Colts 19

Nailsea & Backwell Colts 10

A LARGE crowd turned up to see this colts match between two hitherto unbeaten sides and the performance of both sides did not disappoint all those watching.

In a very tight and competitive game Nailsea could have taken the lead but missed a straight forward penalty after 20 minutes.

Chard defended well against the free running visitors and then came back strongly with two lovely tries both of which were scored by number eight Ollie Harris.

Dan Newman added both conversions to give Chard a 14-0 lead and they managed to hold on to this advantage until the break.

Nailsea started the second half strongly and the usually strong Chard tackling was suddenly found wanting as they allowed Harvey Flower to burst through several tackles to score. The conversion was missed but Nailsea were now

really up for the contest.

Led by the strong running of skipper Josh Collins the visitors looked dangerous and scored another unconverted try when Alex Jones raced over.

A very competitive game got a little heated for the referee and he cooled things down by sending a player from each team to the bin.

Chard came back well after these two tries and clinched victory when after some splendid forward play Josh Nicholls crossed for his side's third try which this time went unconverted.

Chard U16 girls 15

Bridgwater U16 girls 10

ANOTHER large crowd turned up on Sunday afternoon for this first ever under 16 girls fixture.

Chard fly half Molly Swain had the honour of scoring the first try for Chard when she broke through the Bridgwater defence and ran 30metres to the line.

Not long afterwards Bridgwater equalled things up with an unconverted try of their own but Chard regained the lead when hooker Jess Leake successfully touched down for try number two.

◆ OFF TO A FLIER: The Chard RFC girls under 16s team which recorded a 15-10 win over Bridgwater in their first ever match at the weekend.

In an even game Bridgwater again equalised with a second try but Chard took a decisive lead when Sarah Pine made a strong run before off loading cleverly to Megan Armstrong who touched down.

Unfortunately an injury to a Chard player meant that the referee called

an early finish to the match

Any young ladies wishing to get involved in rugby should get in contact with Stuart Gold or George Busby at the club.

Chard RFC are hoping that this will be the catalyst for ladies rugby to really begin to take off and are keen

to recruit.

◆ Fixtures; Next Saturday Chard 1st xv are away at Camborne, the 2nd xv are at home to Wellington, the 3rd xv are away at Minehead and the colts entertain Clevedon at the Crewkerne Road. Ground - all games start at 3pm

football youth round-up

Axminster youth section gathering momentum

AXMINSTER Town AFC re-launched the Youth Team system 18 months ago with an Under 7 Team playing friendlies writes Vic Holland.

Saturday mornings was dedicated to training and it was noticeable some of the younger children turning up weren't getting significantly involved due to their age, size and lack of confidence.

After positive discussions with Danny Galloway and Brian Morgan, who were heading up the Youth it was decided to involve more parents to help out with the younger children.

Ian Manning offered his services and took charge of the Under 6s. "I just wanted the children to make new friends, have fun and learn about football". Since that time the club has now established U5, U6, U7, U8, U9 and U13 teams.

Most of the parents that have helped are now fully qualified Level 1 Coaches

which will enable us to expand with more age groups.

The youth set up is all about the children, whose parents week in and week out bring their kids to our training sessions, they see our passion, commitment and above all the smiles on the children's faces.

Reading this you might be interested in helping our Tiger team develop other age groups both for boys and girls or just want to bring your children to have some fun, then please do not hesitate to contact us or just turn up.

All we ask of you is bring the children's trainers/boots, shin pads and £2 training subs. We look forward to seeing you soon at Tiger Way.

Season Update by Andy Hurford

WE are now two months into the season and the teams have been performing well, especially our UNDER 8S,

managed by Luke Reed with assistance from Luke Clifton and Simon Harris. They have won the majority of their games with Luke giving them all an equal opportunity to prove themselves on the pitch.

THE U13S, coached and managed by Peter Knox, have made a good start but have lost their last three games. First team captain Jon Hurford, a qualified coach, has joined Peter to help with the development of the team. Jon is looking to pass on his experience, leaving Peter to concentrate on managing the team.

THE UNDER 9S managed by Bryan Morgan with coaching assistance from Dan Galloway have found the season quite challenging. But with a lot of the younger children in the team every positive result - win, lose or draw - has been merited. We are looking for more players to join the team - especially a goalkeeper.

The UNDER 7S are looked after by Ian Manning who is looking to play regular friendlies against local clubs.

Axminster Town Youth AFC are progressing well, building more to provide football for all age groups up to 18 yrs.

If you'd like to become involved in anyway please contact myself Andy Hurford on 07795217160 or email andrewhurfordag@gmail.com

◆ Seaton Town U10s were edged out 2-0 against LYME REGIS in a very evenly matched contest in which both teams struggled to create clear chances.

The goals conceded summed up a scrappy game with a defensive error gifting Lyme an opener and a blocked cross that fell kindly for their striker a yard out.

Seaton managed to fashion what clear chances there were, but could not

work the keeper as the strikers missed.

Max Nevell did his best to change things late on with a shot, which somehow the keeper tipped over the bar.

Everything that was wrong with the first game came good in a friendly with MILLWAY EAGLES.

The two sides produced a cracking game that Seaton edged 5-4. The football played by both teams was exceptional with Aaron Hale bagging a hat-trick and Max Nevell and Leo Gribble completing the scoring. Man of the Morning was Daniel Byrne.
